

Website-Music Library Rental

1. The Phil may be prepared to rent or lend music to various other choral groups in Winnipeg and beyond.
2. In Winnipeg, we would normally lend music to other groups with the understanding that the Phil will also be able to borrow from those same groups. Should not all copies be returned, a fee equal to the value of the current purchase price will be assessed for each missing copy.
3. For choirs across Canada and the USA, we may, on occasion, “rent” a particular piece of music. The practice has been to charge 25% of the current purchase price of that piece. In addition, the renter pays shipping charges both from, and back to, Winnipeg.
There may be opportunities for reciprocal exchanges. Please contact us to clarify your particular situation.
